

CONTEMPORARY LEADERSHIP PROGRAM

LEARNING OBJECTIVE

GOOD LEADERSHIP IS KEY

A contemporary organization requires contemporary leaders. Good Leadership is key for staffs' work experience. Sub optimal leadership is a dissatisfier and has impact on your organizations' productivity.

BE THE LEADER YOU WANT TO BE

During this program we support you in your development to be the Leader you want to be. During the program we will learn you how to apply the theory in practice of 6 Leadership Key Areas

YOUR DEVELOPMENT WILL BE MEASURED

To set a baseline and determine your progress at the end of the program, we will have two measurements. We will measure Leadership preferences and perform a 360 at the start and end of our journey.

'We won't give you a recipe, we make you a Master Chef!'

PROGRAM

THE 6 STEPS TOWARDS CONTEMPORARY LEADERSHIP

The program consists of 6 steps to develop key leadership skills:

- Know Yourself
- Give Direction
- Manage and Develop People
- Optimize Processes
- Enable Innovation
- Drive Change

PROGRAM DETAILS

TEACHING METHOD

During the program we will use various teaching methods:

- Online learning modules (video's)
- Q&A sessions to ask questions about the content and its application in practice
- Facilitated peer-to-peer coaching. We know that sharing experiences amongst each other is insightful and helpful.
- 1 to 1 coaching

DURATION

The duration of the program is about 9 months. This length is required because we truly want to enable a transformation in Leadership Style. In a short period of time that is not possible.

TIME COMMITMENT

Every module takes about 1 day to go through the material and 1,5 day to participate in the workshops, study group and (peer-to-peer) coaching. On average this results in two days per month as a minimum.

GROUP SIZE

Preferably the group size for this program is 3 to 6 people.

LOCATION

All workshops will be done virtually. If the circumstances allow us, we love to arrange 1 or 2 workshops face to face.

TRAINERS

The workshops and coaching will be facilitated by trainers of the Tomorrow's Leadership Team. Our trainers have fulfilled Leadership Roles themselves and have extensive experience in facilitating workshops and coaching.

START DATES & INVESTMENT

START DATES

This program starts 5 times a year on the first Monday of:

- January
- March
- May
- September
- November

The approach and timing of the program can be customized for in-house training upon request.

INVESTMENT
