

NAVIGATE YOUR ORGANIZATION TO THE FUTURE!

RECOGNIZE THIS?

- Lack of time for strategic thinking
- Staff misses a sense of meaning in their work
- Complex decision making is slowing down
- High workload experience
- Cooperation is difficult
- Lack of ownership and entrepreneurship
- Hindering culture
- Making mistakes is a no go
- Lack of focus on personal development

✓ **Yes, I do!**

Then it is time for personal and organizational development.

ENSURE YOU ARE READY FOR TOMORROW

WE

- ✓ Put the finger on the sore spot
- ✓ Determine your course of action together
- ✓ Take you on a journey to tomorrow!

WHY US?

FROM DOUBT..

"Normally I am pretty skeptical about these kind of things."

'At the start we were not sure. Is this going to be valuable?'

'My initial thoughts? Let's see what happens.'

..TO ENTHUSIASM!

'I believe everyone should get inspired by you.'

'I was positively surprised by the interactive workshop.'

'Astonishing how quick everybody opened up.'

'Carefully but quickly the problem was pointed out.'

WE LOVE TO SUPPORT YOU!

STRATEGY

Presentation 'The Future for Organizations' | € 1790

In an hour we take you on a journey from the industrial era to the future. What is the impact of social and technological developments on people and organizations?

Presentation + workshop | € 2470

The insights gained during the presentation are translated to the own organization (4 hrs).

2 Day Strategy Session | € 6000

In 2 days we help you to determine the best path forward. We do this in a contemporary way covering the Big Hairy Audacious Goal, Trends, Strengths, Values and Winning Moves. This will result in a clear Roadmap.

TEAM

Lumina Spark or Emotion workshop

Create a common language, get to know each other's preferred behavior and dive into the world of Emotional Intelligence, the skill of the future.

INDIVIDUAL

'Get to Know your Flow' - Challenge

Knowing yourself is key in the future. In this challenge we will define your Native Genius, Purpose and Elevator Pitch. This will enable you to position yourself properly. Now and in the future.

Contemporary Leadership Program

Various (online) learning modules to become a Contemporary and Impactful Leader.

We also arrange customized journeys. A selection: Team and Leadership Development, Work Happiness, Personal Efficiency, Process Optimization (VSM) and Change Management. Contact us for possibilities.
